

Welcome to the  
Alton - Petersfield Group  
of the Multiple Sclerosis  
(MS) Society

We are a group of people affected by MS who live in and around Alton & Petersfield. Our Group is part of the Multiple Sclerosis Society, the largest charity for people affected by MS in the United Kingdom.

We offer support to people who are living with or affected by MS. Our Support Officer assists with community services and provides information on such things as benefits and grants. Our group meets regularly and arranges social events for all the family.

A problem or situation shared is a problem halved, and we are here to help you, member or not.

**If we can't help,  
we know someone who can.**

**JOIN US!**

**DAYTIME MEETINGS** are held once a month in Alton & Petersfield. An MS Nurse attends both meetings for your convenience and may be consulted privately.

Therapies and massage are often available.

Various other social activities and days out are organised on a regular basis throughout the year. For more detailed information please visit our web-site, Facebook or call one of the team on the numbers shown overleaf.

We look forward to hearing from you.

We treat all information given to us in the strictest confidence.  
We will not pass on your details to others.
